

LaserLounge

**People are in a fast paced world today  
and want the convenience of laser.**

**Understanding your busy schedule, we have flexible  
hours to fit your needs. The Laser Lounge takes  
pride in client satisfaction, cleanliness and an all  
around great experience for every client.**

**The laser lounge concept was designed to be appealing to  
both men and women with personal one on one treatments  
with Jennifer, in a comfortable spa-like setting.**

#### **Before Treatment**

No extreme sun exposure three weeks prior to appointments. Also includes, no tanning beds, self tanners, or spray tans. No tweezing, waxing, bleaching, or hair removal cream three weeks prior to appointment. Only shaving is recommended between and before appointments (hair needs to be present for the laser to destroy it). Discuss any medical history before treatment. If on any strong or photosensitive medication, please consult with your doctor first.

#### **After Treatment**

Use aloe vera gel the first day after treatment. Avoid deodorant if underarms were treated and no makeup on face for twenty-four hours (if face was treated). Avoid exercise, hot baths, saunas, jacuzzis etc. for twenty-four hours. Avoid sun exposure and use SPF 30 on all areas treated. Shave only between sessions, for this will ensure you will receive the best results.
